

Cib's Gelbvieh Bull & Female Sales

Begin Saturday, March 7th, 2015 at 1:00 pm
Lunch & Viewing Start at 10:30 AM on the farm in Clutier, Iowa

Lot
1

CIBS REPUTATION 4289B

Black • Polled • Bull • 63% Balancer
B-date: 1/14/14 • AMG#1276932

SIRE: TAU Mr Grid Topper 43T
DAM: CIBS Janey 2896Z
MAT. SIRE: TAU Mr Krugerand 70M

Tina has an eye for cattle and this stud has been one of her favorites from the get-go. One look and you'll see why. Long bodied and soggy made. Solid EPDS's. He's for real.

Cattle Producers-

Several years ago Staples used a very successful marketing scheme where a guy in the store would yell "Wow, that's a low price!" Meanwhile, Wal-Mart was using "Look out for falling prices!" Right now in the cattle industry I think our slogan would be "Wow, that's the highest price I've ever received!" Or "Look out for skyrocketing prices!" What an exciting time to be selling feeder's and fat cattle. I'd ask "Can it get any better?" but nobody knows the answer to that!

We couldn't be more pleased to offer you this year's line-up of Gelbvieh and Balancer cattle. We've never been more confident in the depth of quality as we are this year. If you study our offering you will find cattle that are well rounded in their structure and design and maintain more than adequate EPD profiles. There is a saying "it is better to walk while everyone else is running." We are not into chasing the extremes simply because we do not want to lose sight of the basic traits that are important in breeding high quality cattle.

As you look through the offering you will find several tools that allow you to select bulls to best fit your operations goals. All bulls will carry a first season breeding guarantee and we will make sure you are satisfied with your purchase. The only thing more important to our operation than our cows, is our customers!

We truly feel that at Cib's Gelbvieh you will get more than what you pay for, rather than paying more for less! Please don't hesitate to call with questions about our sale format or any of the cattle. We look forward to seeing you on March 7th!
